

WE DO EVANGELISM

DR. LADONNA C. OSBORN

www.osborn.org

FROM THE BEGINNING of this ministry – nearly seven decades ago – we have prioritized EVANGELISM. Why? Because Jesus' final words of instruction to His followers was to "...witness of Me," "... make disciples," "...forgiveness of sins will be preached to all nations.." and "Go into all the world and preach the Gospel."

So we DO evangelism. We don't just talk about it; we DO evangelism, whether face to face or using available means to transmit the glorious message of Jesus that changes lives, nations and our world.

OUR FOCUS – PRESENTING JESUS

TO PEOPLE WHO DO NOT FOLLOW HIM

OUR MESSAGE: "COME AND

PEOPLE IN EVERY nation are looking for what is real. They are weary of the false hopes of empty religion, disenchanted by their political leaders, sick of heart because of their dire circumstances and pains. When we bring THE GOSPEL OF JESUS, the Good News is like fresh water to their parched lips. Jesus is the solution to every human need – the ONLY solution!

FESTIVAL OF FAITH

REMEMBER WHO YOU ARE IN THE WORLD

Christian believer, follower of Christ and fellow-co-worker in the work of evangelism, I encourage you to remember who you are in the world. The Scripture forewarns us about these days, when evil and violence will increase! The darkness of sin and deception are spreading at an alarming rate. But be encouraged! We are well able to stand up tall amidst the corruption that surrounds us. We are carriers of the very LIFE of the resurrected Savior, Jesus Christ, the All-Powerful! His plan will not be thwarted. His testimony will not fail. His love and power to transform will not diminish. There is nothing too hard for Him. Believe me! You make a difference in your world. The Greater One resides in you. Don't weary of standing. Don't weaken in believing. Don't be silent in witness. Be bold. Believe! Love! Testify! Pray! Yes, pray for the sick and the tormented. See what God will do through you!

SEE JESUS"

WE BELIEVE IN

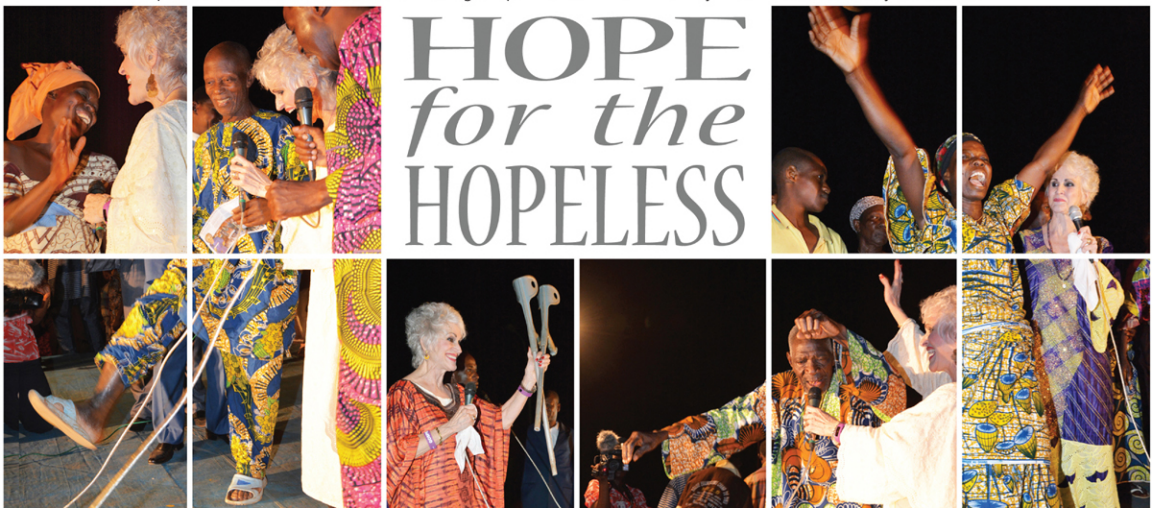

AND MIRACLES - PORTO NOVO, BENIN

www.osborn.org

EACH TESTIMONY represents a life, a family, a community. Each **MIRACLE** goes far beyond the immediate need. Each supernatural encounter is a testimony that Jesus truly is God's Son, the Savior of the world and **ALIVE** today. The miracles are proof of Christ's resurrection. The miracles are the irrefutable evidence that Jesus is real and relevant! Evangelism and miracles are the proclamation and demonstration of God's good plan for **EVERYONE**. But they must be told! Then they will believe.

HOPE *for the* HOPELESS

MIRACLES

THE HALLMARK OF this ministry has always been supernatural miracles. Only God can do the impossible. **WE BELIEVE IN MIRACLES.** All around us are Christians, pastors and systems that deny the supernatural power of God. We are convinced that without the demonstration of Christ's resurrection life, all of our preaching is pointless. The message that we preach is not ordinary. Jesus is our message and He changes everything. There is no more worthy mission in life than to connect Jesus with humanity.

JESUS IS

CLARITY for the Confused
LOVE for the Lost
SALVATION for the Sinner
PEACE for the Perplexed
DIGNITY for the Downcast

STAY FOCUSED

FRIEND AND PARTNER – We want to thank you for your commitment to the work that Jesus gave all of us to do! I'm aware that there are many voices that speak to you about the many human crises that exist. We are very aware of human need in so many places. But you are choosing to STAY FOCUSED with us on the great spiritual need of every person which is addressed through EVANGELISM. Thank you for seeing human issues with spiritual eyes.

During these days, we are pressing forward with all of our energy and resources. But we can't do this work alone. In fact, this ministry belongs to the people of God who care about the mission of Jesus to hurting people.

We want to say "Thank You" by giving you a choice of three gifts, when you plant an evangelism seed into this ministry.

First, I have prepared for you ONE of the 48 English/French TV programs that is beginning to air via five satellites and the internet. Right now these power-filled messages are being broadcast to every French-speaking nation of the globe. This is an amazing outreach. Think of it – a potential audience of 350 million will hear the truth, week after week, about Jesus and all that He brings to those who will believe on Him. This mission excites me. You can have this 30-minute program "To Receive Jesus – Make a Choice" when you send a donation of at least \$100 to continue this outreach.

Second, the exciting DVD report of our recent face-to-face mission, "Benin: Divine Timing" can be yours. Truly, you will feel that you are with us on this strategic mission as you view this remarkable DVD. This "Thank You" Gift is ready for you when you invest at least \$50 in this evangelism ministry.

Third, the book that my father, Dr. T.L. Osborn, wrote, "Believers in Action" is impacting lives around the world. The truths in this book will empower you to combat the forces of evil that are trying to invade our nations and our societies. We will send this gift book to you when you send any amount to make a difference in our world through the power of the Gospel.

Thank you for standing with us, for giving, for praying and for believing in the message and life of Jesus to meet every human need. WE ARE STAYING FOCUSED on Jesus – the message and Evangelism – our mission.

Exploring NEW FRONTIERS — in — EVANGELISM

WE ARE LIVING in dramatically changing times. I have been on the frontlines of global, miracle evangelism from my earliest childhood. The year that I was born, Jesus appeared to my father and everything changed for our family. My mother and father resigned from their church, where they were serving as pastors, they sold their possessions and packed up their two children and began taking the Gospel to the Unreached in ways that were untried and bold.

I personally lived through decades of colonial rule in nations across the African continent and beyond, and witnessed the convulsive rise of nationalism as people began to demand independence from foreign powers. I experienced the struggles of the national churches as they regained the dignity and identity that come with political independence. During all of these transitions we were there, preaching the Gospel, training national preachers (men and women), providing support, resources and materials to accelerate their soul harvests and the number of their new churches. Multiplied tens of thousands of churches have been planted through the efforts of this ministry in cooperation with the national churches.

Now we are living in new times. The national church is strong and growing. More missionaries are being sent to the world by what are known as "developing nations" than by all of the Western nations combined. We have taught them how to do evangelism. The Osborn name is synonymous with miracles and evangelism worldwide.

Now we face new challenges and great opportunities. Many nations are resistant to public evangelism because of the dominance of Islam. Radical movements are thriving in the global context of fear, confusion and weak leadership. To be a "Christian" has become an identity attracting mockery and even a cause for persecution and death. What are we to do?

We are committed to the work of evangelism. The Apostle Paul admonished Timothy, "Do the work of the evangelist." We share that unchanging priority. New and far-reaching opportunities are open to us to both share the message of Christ with the UNchurched of our world AND train a new generation in the principles and biblical methods of **DOING EVANGELISM**.

We need you to band with us in these new and bold actions. While TV ministry is much too expensive for us to undertake in the States, we are able to provide programming to national TV stations and satellite networks at more reasonable rates. The Internet is an untapped resource for a new style of miracle evangelism. Digitized audio and video teaching and training can be received where foreigners could never travel and public evangelism events would never be allowed.

I am praying that God will speak to you, and excite you about these new frontiers in evangelism. Without your help, we cannot move forward. But we have faith in the God who has promised that "this Gospel of the Kingdom will be preached in all nations as a witness..." before the end comes. We must hurry.

If you are not receiving our email updates, please send us your email at Osborn.org. Scroll to the bottom of the page and sign up for our ministry news. We'll keep you up-to-date on the latest in global evangelism.

Use the form provided to send your BEST Seed-Gift to say, "Yes, we are going with you into these NEW Frontiers." I've shared my heart with you; now let God speak to you. Act with faith!

Pressing forward....
