GOD GIVES NEW IDEAS

NEXT MISSION: LIBERIA

Just before Ebola ravaged the nation of Liberia by spreading disease and death nationwide, shutting her borders from business and most international help, GOD SENT US TO MONROVIA, LIBERIA. This 2014 mission was our first to this nation with a unique history. When the continent of Africa was divided among the European nations, as the epoch of Colonial Rule began, the United States reserved the area known today as Liberia for slaves who were being returned to Africa after being bought and used as slaves in the USA. This action created great difficulties for the tribes living in that part of Africa, and was a pitiful and deadly effort by the U.S. government to reverse the evils perpetrated through slavery. The nation of Liberia was birthed out of evil, injustice, hatred and suppression.

LIBERIA TOUCHES SIERRA LEONE, GUINEA, CÔTE D'IVOIRE

The many tribes of people who now call Liberia "home" carry the scars of their past. In 1989 a vile civil war erupted that began in the East and flowed Westward along with the blood of Liberian citizens. After only two years of fragile peace, a second civil war broke out in 1999 and continued until 2003. Over 600,000 lives of young and old were lost and over one million became refugees in the surrounding nations. **We are now going to Ganta, Liberia … the town in the East where the civil war began.** What the enemy intended for destruction, God purposes for blessing and healing!

NOW IS THE TIME FOR GANTA

OUR PREVIOUS **2014 MISSION** TO LIBERIA WAS BEFORE

THE DEVASTATING EBOLA OUTBREAK

The Festival of Faith and Miracles became a living demonstration of God's love and power to forgive and heal. The physical healing miracles shocked the people as they grasped the good news that "GOD HAS NOT FORGOTTEN US!" During our event in 2014 pastors learned how to lead people with courage and faith in God. Many of them were the ministers of hope during the dark time coming to Liberia. Because of Ebola, hospitals were closed. Clinics were abandoned. Borders were shut. Markets were empty. People were literally starving in the streets. A cry went out from one pastor pleading for help with food. He told us that of his contacts, **we were the only ones who stepped in to provide the needed food**. The people have not forgotten.

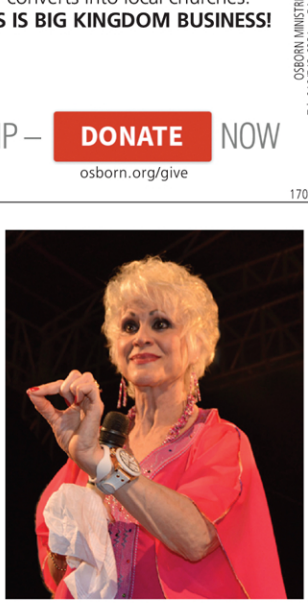
When I heard the requests from the pastors in Ganta to come and help them, it felt as though God reached into my heart and squeezed. It felt as though my breath was taken away. But I realized that God was putting this town in my heart because He was calling me to GO! I know that voice and never hesitate to say, "Yes!"

- Ganta is the hottest spot for witchcraft in Liberia.
- The majority of the people in Ganta are witches and wizards.
- The darkness and dread of witchcraft holds the people in spiritual and physical slavery.
- Most of the child soldiers and rebels who fought in the most recent civil war were from the Glo and Mano tribes of the county of Nimba.
- Ganta is in Nimba County.
- Nimba is Liberia's second largest county.
- Many of Liberia's government leaders are from Nimba.
- The influence of the Gospel in Nimba will spread across Liberia.

I'm asking you to prioritize GANTA, LIBERIA in your heart, just as I have. When God calls us to "GO!" He is also calling you

GOD SAYS "GO!"



to "GO!" through your prayer and donations. Do something very special RIGHT NOW so that we can begin the preparations for a great visitation of Christ in Ganta, Liberia.

Thank you for your amazing faithfulness! I'm praying for God to bless you in a BIG way!
