

This is the ministry **YOU** are partnering with

This Ganta City mission is having double impact. Evangelist Michael Lusk and His ministry, VANGUARD is joined with me and Osborn Ministries International. We are teaching Evangelists and believers to do the work of Jesus. We are inspiring pastors to expect miracles in their churches. We are donating books, audio and video teaching materials and Soulwinning resources, we are presenting sound systems to Evangelists. **WE BELIEVE IN MINISTRY PARTNERSHIP.** You are a partner in this historic mission. Thank you for staying on the front lines with us, proclaiming the Gospel of Jesus!

SHARE THE HEARTBEAT

Friend, I was born into this mass miracle evangelism ministry. My parents (T.L. and Daisy Osborn) and our entire family lived on the front lines of miracle evangelism. Every detail of our lives was organized around the priority of bringing Jesus to people. Now for over 70 years our focus has never changed. New generations have been born. Country names and governments have changed. Perspectives on Missions have evolved. But *Jesus Christ is the same yesterday, today and forever.* (Heb 13:8) The words of Jesus still ring, "This Gospel of the Kingdom **MUST** be preached in all the world..." The heartbeat of God echoes in each of His people, filled with His Spirit.

This ministry is a miracle. We continue reaching the world in spite of many challenges. If we had twenty million dollars today, I know exactly what we would do. Doors are open to us. Young people are eager for training. Our strategies work!

Just this year I've ministered face-to-face in Canada, Cuba, Liberia, Ethiopia, France and will soon be in Kenya. Plus we're reaching people in 195 nations via the internet. We are living in the best of times to make Jesus known.

Partner with us. Feel the heartbeat of God with us. Through partnership we win our world to faith in Jesus.

Pray. Donate. Believe. Rejoice. We're on the winning team!

Your friend on the frontlines!

I have come to **seek** and
save the lost

We have prepared beautiful full color invitations, welcoming people to the Festival of Faith and Miracles. Now we put legs under these invitations and take them to where the people are. A face-to-face invitation is more effective than a radio or TV announcement. We tell the people, "God has sent us to tell you that He loves you and He wants to come to you. Bring your sick family and friends. JESUS is the Healer. We will teach you how to know God and how to receive His blessings." People are eager to receive hope. Jesus sends us with a message of HOPE and HEALING.

Go out into the highways and hedges, and
compel them to come in

Our entire team has spread out across the city, joining the thousands of Christians who are distributing invitations to the Festival. I love to walk through the public markets, visiting with the people and giving them a personal invitation to come and hear about Jesus. The children gather. These markets are the center of Ganta community life. This is where everyone comes. The economic heartbeat of this city is felt here in the public market. This is where we bring a new sound, a new face. We carry the sound of Jesus' love for people and show the face of welcome and hope.

Now is the time for Good News in Liberia

He or she whom the Son sets free
is free indeed

We are on countdown for the Ganta (Gompa City) and Nimba State public evangelism event. The city is filling with expectation. The permits have been obtained. The grounds have been selected and prepared. The Christians are ready. The pastors are eager. The countdown has begun. The key to mass miracle evangelism is connecting with the people who need Jesus. The only lost who will be saved are the ones who come to the Festival. The only sick who will be healed are those who come to hear about Jesus. What do we do?
