KOREANS HUNGER FOR
REDEPTIVE TRUTH

DYNAMIC CONVERSIONS -
DRAMATIC MIRACLES

This mission to South Korea is an example of God's perfect timing in sending us to the right place at the right time. The church in South Korea is vibrant in prayer and worship. This group of believers has been praying for a visitation of Christ and His truth. They are hungry for the presence and manifestation of the Holy Spirit. Friends, pray for this nation. We hear much in our news about the tensions between certain nations and North Korea. But we rarely hear about the issues and political complexities that threaten South Korea. Pray for wisdom among the pastors and church leaders. Pray for stability among the citizens. Pray that the churches will be passionate in sharing their witness of Christ. Jesus is the answer.

NEW TERRITORY - NEW GENERATION

YOUNG AND OLD RESPOND TO THE GOOD NEWS OF JESUS

In each location I am overwhelmed by the sincere spiritual hunger of the people – including the leaders – both young and old. I take every opportunity to minister to the young people and to inspire their vision to win their nation for Christ. The youth are the hope of South Korea. Wherever I go, I understand that my role is to demonstrate the ministry of Jesus and to teach the young people how to continue His healing ministry in their own communities. Too often the young are excluded from the mainstream of church ministry. This ought not be so. The youth are specifically qualified to bring Christ and His Gospel to their generation. This ministry is positioned to be the voice and example of training for these eager young men and women.

HUNGER FOR REDEMPITIVE TRUTH

While these Koreans are devoted to Jesus, many have little understanding of the fundamental truths of Christ's redemptive work and what Gospel realities mean in their daily lives. My purpose is to systematically teach these vital truths. I have learned that there is a process for believers to first HEAR truth and then to APPLY truth into their thinking, speaking and living. The process is beginning here in South Korea.

Notice the photo to the right. One of the American GI's who fought with the South Koreans during their War of Liberation (our "Korean War") gave me a Bible that he has kept these 70 years. He asked me to give it to a young person who would carry the Gospel into North Korea. Here we are praying over that Korean Bible being held by children under the age of 14. I am challenging them to be carriers of the Gospel of Jesus to their northern brothers and sisters. This is a precious moment.

HEALING TRUTHS MUST BE TAUGHT

It grieves me that in one church it seems that 90% of the people are sick in their bodies. These are precious people, but they have not been taught the truths of divine healing. These redemptive provisions have been part of the essence of this ministry for more than 70 years. God does not want people to suffer. Only Satan – the enemy of God – wants to put sickness on people. Here in South Korea I am taking special time to teach the people the promises of God, the simplicity of faith and how to receive their miracle. Miracles are not difficult when people know how to cooperate with God. Backs, necks, legs are being healed. One woman with uterine cancer is healed. One woman with advanced breast cancer is healed. They both follow me to the next town and give testimony, looking healthy, free from pain and excited by their miraculous healing. This is why we have come to South Korea.

OSBORN BOOKS IMPACT KOREA

Several of our books are already translated and printed in Korean. They are beautiful. Pastor Huh excitedly shows me these titles including my father's classic book, "Healing the Sick." The truths contained in these books will revolutionize the Christian community in South Korea. Thank you for making it possible for us to distribute these powerful books. Additional books need to be translated. The door is open now for the distribution of these valuable faith resources. One pastor came to me and said, "A friend gave to me your father's book on healing. I had never read or heard what I learned in that book. It changed me. Now my ministry includes healing for the sick because Jesus is the Healer. Thank you for these materials." (Go to osborn.org/donate to make books available to others.)

NOW IS THE TIME

As I minister here in South Korea, I am aware of the volatility of this area of the world. News in the West is often very distorted or lacking in the information that helps us know how to pray and act on behalf of people in various nations. Because of our global ministry, we are privy to realities that are never publicly reported. JOIN ME IN PRAYER AND ACTION on many fronts. The doors of the nations are open to us. We are focused on the Democratic Republic of Congo, Nigeria, Kenya, Burma, France and other specific areas.

THE GREATEST NEED is for us to teach truths that last, teach how to evangelize effectively and teach new converts to become disciples of Jesus. For over

70 years we have taught evangelism and equipped believers to be soul winners. But now, with modern technology we have the opportunity to do what we've never done on a global scale. NOW IS THE TIME for us to unite forces and finances to launch into a new dimension of teaching. THIS NEW GENERATION is asking for training. Our legacy of evangelism success is unequalled. So we must respond to this call.

Partner with us today to TEACH, to TRAIN, to TRANSFORM every nation with the Gospel of Jesus Christ.

Thanks for sharing this vision with us.....

SOUL WINNING BOOK TO BE RELEASED SOON...

ENLARGED AND UPDATED FOR A NEW GENERATION

Be among the first to receive the news that in the next few weeks our publisher is releasing a NEW and UPDATED edition of my father's classic evangelism book, "Soul Winning." The need for this book is as great as it was in the early 1960s when my father sent the first edition to tens of thousands of preachers, FREE. It began a revival of personal soul winning. NOW, this updated edition will speak to this generation of Christians. Plan now to obtain your own copy of this book.
