GOSPEL PROCLAMATION AND DEMONSTRATION

CHAINS BROKEN

Days before the coronavirus outbreak in the Democratic Republic of Congo (DRC) - the largest nation on the continent of Africa - Jesus visited Kinshasa with a dramatic demonstration of His power, love and healing. Look into the eyes of this handsome young man. **He had been demon-possessed and bound with heavy chains for SEVEN long years.** His mother brought him to our Festival of Faith & Miracles, and he was delivered by the power of Jesus. The Gospel is the power of God that brings salvation.

The DRC is a significant nation

**The DRC is a
significant nation in
Africa.** The current
President is a born

for him as he faces the
challenges of a nation
that has experienced so
much war, corruption
and economic hardship.
The people are eager
for change. We are
told by high officials,
“We believe that your
ministry will bring
healing to our nation.”

GOD’S TIMING IS PERFECT

For several years we have felt an urgency to return to the DRC, but finances have not been available. I told the pastors, “God will provide when the time is right.” The Lord did provide the needed funds at just the right time. My essential team consisted of myself and one photographer. Rev. Jennifer Yeager and I arrive with great expectation as we are received by the government and facilitated in miraculous ways.

DAYS AFTER THESE EVENTS AN EMERGENCY IS DECLARED IN DRC

Just as major improvements are being made to the infrastructure of Kinshasa, the government is forced to declare a state of emergency due to the coronavirus. Only basic movements, such as finding food, are allowed. This is one of scores of nations globally that are being challenged by this invisible enemy. The church leaders in Kinshasa are rejoicing because we are bringing the truths of healing and authority in Christ to their people just in time.

CRISES DO NOT SILENCE OUR WITNESS

We know the power of the printed page. Look at this! Thousands each of our books - four titles - in French are distributed in Kinshasa. The truths in these anointed materials continue to be seed planted in this nation - seed that produces miracle harvests! Our book sponsorship program makes a difference in the DRC.

20,000-30,000 GATHER FOR DYNAMIC TEACHING CONFERENCE FOR ALL CHURCHES

Before our public evangelism and miracle event, we teach the Christians and church leaders for three days. It is estimated that 20,000-30,000 people gather for days of teaching. The hunger is amazing. Many of them have never heard systematic Bible teaching that transforms their thinking, their perspective, their words and actions. Learning to live this redeemed life is vital for followers of Christ. After the teaching conference, we go to an open field to proclaim the Gospel that always demonstrates through supernatural miracles of healing.

NOW IS THE TIME

Right now, as so many in our world are suffering, are in quarantine, are struggling with fear and fatigue, as most church congregations are unable to gather as usual, **God is doing something extraordinary.** In 1963, my father wrote a prophetic book that was challenging the individual Christian believer to become a soul winner. At that time, only the official clergy were expected to do certain ministries. That book - Soul Winning: Out Where the People Are - began a revolution of personal, **one-to-one evangelism.** Now, most Christians understand that the commands of Christ are not intended only for the clergy. This month, we are releasing a NEW and UPDATED edition of this classic book. Soul Winning: How

to Share God's Love and Life to a World in Despair. Consider the supernatural significance of this book release. Now at a time when church gatherings are restricted, the individual believer is not. Now, when the preacher cannot do what he/she has always done, the individual Christian has a voice. **When Christians return to the pattern of Early Church methods - each believer a witness - that is REVIVAL.** You've been praying for revival. Now is the time. Order your copy of Soul Winning now at osborn.org/soulwinning. Friend, the many global outreaches of this ministry are continuing, in spite of this global interruption and crisis. Stand with us in faith and financial giving. You are our partner in every action and every victory.

The Church was born in a blaze of personal soul winning as the mission of Jesus Christ became the mission of every believer. Today, that mandate continues. Yet, when it comes to evangelism, many believers lack the passion or know-how to begin. Soul Winning will help!
