

TOGETHER *in mission*

THE PRIORITY OF partnership is taught throughout Scripture. First, we partner with God through faith and obedience. Second, we partner with one another in the Body of Christ through the purpose and power of the Holy Spirit. God wants us to work **TOGETHER** to accomplish His great plan for humanity. God sees us **TOGETHER** in His mission ... **EVANGELISM.**

The practice of weighing down truth-seekers with complicated religious doctrine is unproductive and irrelevant. As 21st century pastors, we are desperate to provide those seeking spiritual truth with biblically sound, non-religious, spirit-driven material that will ground new converts in the Person of Jesus Christ! Christian Absolutes for LIFE is such a tool. Whether taught publicly from a pulpit, discussed in a small group setting or used by a Christian for one-on-one Bible study, this teaching will ground and stabilize new converts, while also equipping mature Christians with teaching that is relevant and proven.

This series of teachings for new believers, Christian Absolutes for LIFE, is the best thing that has ever happened for evangelists, soul winners and new converts alike. It is simple and precise, yet elaborate and comprehensive. I believe the lessons in the Leader's Guide and Student Workbook not only minister to new believers, but also provide a spring board for sound doctrine in discipleship at a time when it is needed the most. As I've gone through the material, I see simplified answers for the questions that my atheist and Muslim friends have been asking.

As an Evangelist and Pastor I am so thankful to Dr. LaDonna Osborn for placing such an important, valuable and practical tool in my hands. It is so easy to use! I have been pastoring in The Netherlands for 30 years and have also been an evangelist in 90 countries. Yet this Christian Absolutes of LIFE refreshed me personally, excited and ignited me to transfer these absolute truths to others with new passion. Whatever a person's background, culture or religion, these Bible, foundational facts help every Christian on their faith-journey in life. For those just starting their walk of faith these simple 7 lessons will set the course for a successful and blessed life. For you who are established in ministry, these lessons will establish your foundation and encourage you to keep the steady course. I am sure many will regain the joy of their Salvation and return to their First Love as they teach others God's purpose for His creation.

Christian Absolutes for LIFE is one of the best tools for making disciples that I have ever seen. This series has the transforming power to “print” in the people the understanding of this new life in Christ by changing ordinary people into true disciples of the Lord Jesus.

I had the privilege to participate in each of these seven lessons as they were originally taught by Dr LaDonna Osborn. I can say that these teachings contributed much to our ministry of mass evangelism, as well as to my personal life. These teachings have made me a better Christian.

Christian Absolutes for LIFE is the needed spiritual milk for new believers in Jesus. These vital seven lessons are an answer to prayer for evangelists who win people to Christ in crusades. We have watched the deficiency in churches and with pastors who have not been able to integrate the new believers into their local congregations of believers. The mission given to us by Christ is to “make disciples ...” (Matthew 28:19). Because of this wonderful series, I see the whole plan of God taking place: winning souls; discipling new believers; integrating them into a flock and sending them out to win others. Thank you, Mama LaDonna Osborn, for taking your time and energy to put this valuable resource into our hands.

What do you say to people who just met Jesus and know nothing about who God is or what happened when they made their decision to follow Jesus? He or she knows nothing about the “church world.” Christian Absolutes for LIFE takes the essentials of the Christian faith and gently leads a new Christian from his or her conversion to a position of firm knowledge of Jesus and His redemption plan. These seven lessons present the absolutes of Christian faith without any added doctrine. They are excellent to use in discipleship programs in a church setting or in a more relaxed “sharing” session. Wherever they are used, they will equip the believer with the tools necessary to be a soul-winning ambassador for God’s kingdom.

Christian Absolutes for Life is the best discipling material that I have ever used. I love the way it is structured. It is the necessary foundation for new believers. Every soul winner needs to use this teaching and study plan to help the new believer on their journey of following Jesus.

Christian Absolutes for LIFE by Bishop LaDonna Osborn is an invaluable resource to guide new believers from their conversion experience and usher them into Christian community and maturity. These powerful student lessons, along with the complete instructor’s guide, ground young Christians in the fundamental absolutes of their newfound faith.

Christian Absolutes for LIFE provides a simple, systematic framework to bridge the gap from conversion to true discipleship. New believers will be established in rock-solid faith, transformed living, and empowered witness. I recommend Christian Absolutes for LIFE in the highest terms. Give the curriculum a try; I promise you - you’ll love the results!

THROUGH NEW AND creative methods, **TOGETHER** we are on the front lines with the Gospel. From the time that the coronavirus plague and confusion began restricting gatherings, travel and face-to-face activities, we have literally ministered in nearly 120 nations, via the Internet’s many platforms of communication. We are sending Christian Absolutes for LIFE to pastors and soul winners around the world. The reports are amazing.

TOGETHER *in partnership*

I highly recommend every pastor and leader read and implement this brilliant discipleship tool, CHRISTIAN ABSOLUTES FOR LIFE, written by Dr. LaDonna Osborn. It is a clearly written, concise, yet thorough guide for the new believer and covers the fundamental truths every true disciple must know. I love the word "absolutes" pointing to both the emphatic and essential teachings of Scripture. They provide a wonderful starting place to encourage life-long hunger and learning. Because it comes from Dr. LaDonna, veteran global evangelist and soul-winner, it is written from the perspective of one who has a passion for every new believer to maintain their walk with God, and from one who also understands how weak discipleship training has been in many instances. What a powerful tool in the hands of pastors and leaders!

INNER CITIES

ACTION IN ONE nation: This disciple-making teaching is being placed on the radio, shared through Internet teaching and with pastors, being taught in Bible Schools and is becoming an integral part of soul winner training. This is just the beginning. Translations are completed in French and are underway in Spanish, Portuguese, Russian, Mizo and additional languages.

In the world in which we live, where the lines of morality are blurred and there are no absolutes to guide human life, the Church must stand uncompromisingly on the truths of Christ-centered Redemption and be the Light and Salt. Christian Absolutes for LIFE is exactly the teaching that brings together, in a very clear way, the principle absolutes of the Gospel that we must preach and explain to unbelievers, new believers and long-time believers so they will know, believe and live a full Christian life. Thank you, Bishop LaDonna Osborn for this wonderful resource.
