

WELCOME 2021

*Stretch your arms forward with me
as we enter a NEW year!*

As I have prayed and asked the Lord for direction concerning 2021, He focused my vision with the word NEW. Everything is NEW. During 2020 every nation, every system (religious and secular), every person has been shaken by the Covid-19 global pandemic. It's time for us to think, believe and act NEW. We're not looking back, we're looking forward! As we project Gospel ministry for 2021, we are thanking God for your partnership. God's NEW plans depend on His people. We Welcome 2021 together!

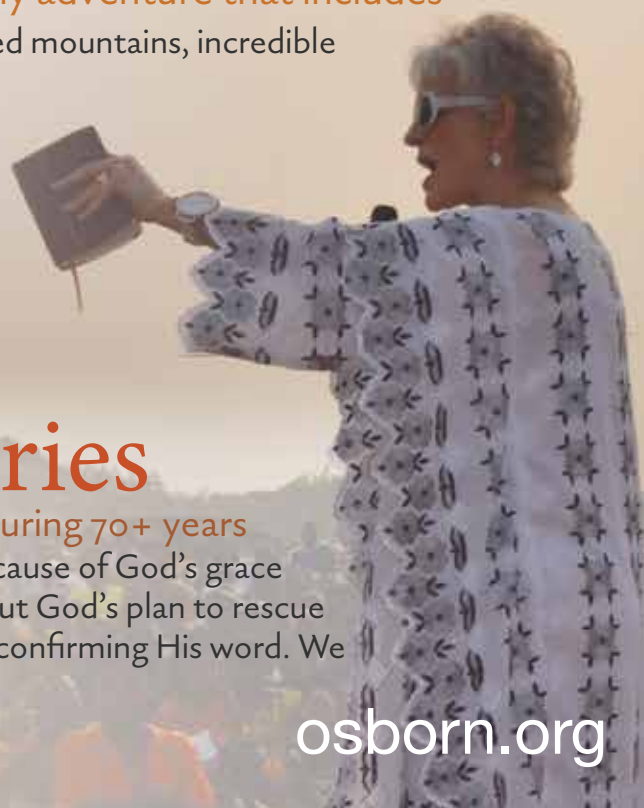

New Adventures

The life of faith is a daily adventure that includes uncharted paths, unmapped mountains, incredible opportunities, surprising challenges and bold action that brings Jesus and His Gospel to hurting people. You and we are committed to this life of faith because God is faithful.

New Victories

Every impossibility that we have faced during 70+ years has resulted in amazing miracles and new victories because of God's grace through Jesus Christ. We learned long ago that if we put God's plan to rescue and heal people FIRST, He will faithfully work with us confirming His word. We expect NEW victories in 2021.

New Connections

osborn.org

During these past months, God has sovereignly connected us

for NEW dimensions of influence in this troubled world. My father used to say, "We're only as big as the people that we let into our hearts." I've proven this to be true! NEW connections mean that we are bigger than before. Our hearts are filled with new friends and partners who share our passion to bring Jesus to people. We thank God for these NEW connections that increase the results of mission in the world.

New Methods

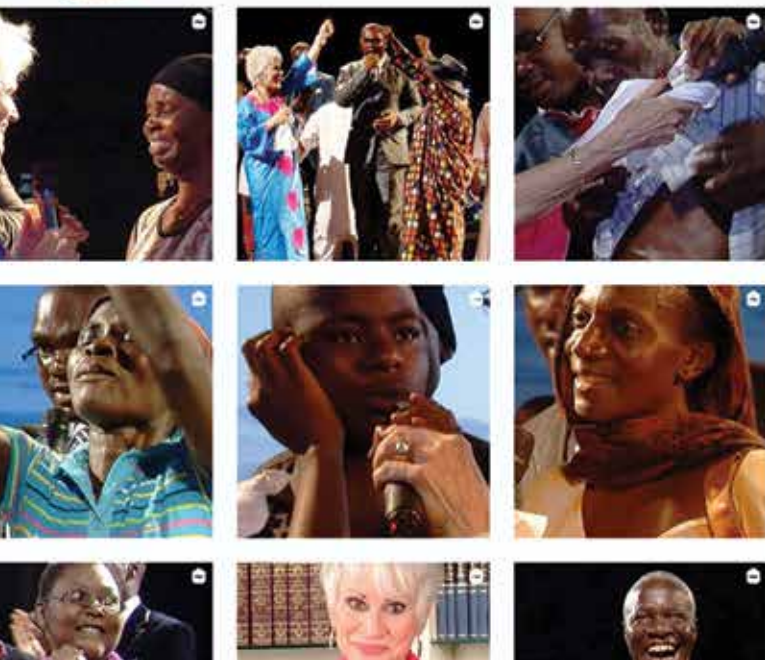

Who would have imagined

in January 2020 that by January 2021 our methods for ordinary life would be so altered: doctors meet their patients on line; businesses administer their operations via Zoom teleconferencing; students have experienced the challenge of online education; and churches minister to their congregations via the Internet. Individual Christian believers have rediscovered the New Testament model

of evangelism as they witness of Christ to their friends, family and neighbors. With the options of the Internet, ministry responses are more prompt than ever, more events are organized and a new generation is reached. I have personally ministered in more than 130 nations via the Internet since March. Social networking is the free and open door to people globally. We are developing more methods for evangelism that include you as our partner.

New Ministries

We are sharing in the launch of NEW ministries around the world. Because local gatherings have been restricted, many ministries have accelerated their Gospel proclamation through television, radio, on social networking and other Internet platforms. Individual soul winners are meeting people in NEW ways. NEW ministries of social help, such as providing food, clothing and caring for children and families are part of the landscape of our world's needs. These outreaches are not new, but NEW people are participating. **The NEW has just begun!**

New Disciples

One of our exciting resources this year for individual soul winning has been the relaunch of my father's book, "Soul Winning," and my NEW seven-lesson series for discipling new converts, "Christian Absolutes for LIFE." We are reaching a NEW generation with the truth of Christ and His divine dream for them. These resources are producing disciples through teleconferencing, Facebook, and video conferencing in addition to group instruction. This is a NEW tool for developing NEW disciples and increasing the Kingdom of God.

New Solutions

We are living in the time of the greatest Gospel harvest in all of church history. I am part of a company of global evangelists who are collaborating with NEW strategies that produce vast soul harvests. I am excited by the NEW solutions for reaching people with the love and healing life of Jesus Christ.

New Miracles

As we enter a NEW year, we are expecting NEW miracles. Just as we pray for the masses who need healing, we pray for you. My friend, expect NEW miracles in 2021. There is nothing too hard for God.

osborn.org

New Conversions

A supernatural miracle begins when the Gospel is preached (or shared). The seed continues to take root, to grow, to produce the fruit of Salvation and then spreads to more and more people. Gospel seed never stops producing a harvest. Every gift that you give for Gospel evangelism continues to bear fruit in your name. God knows exactly who provides every needed gift so that His message can be transmitted to the world. I have stood before vast multitudes of people where it seems that 100% of them make a decision to accept Jesus as Savior and Lord. Last year, over 500,000 souls came into the Kingdom of God. **THIS IS THE GOAL OF EVERYTHING THAT WE DO.**

NEW RESOLVE

As we step into the 2021 arena of action, we have made a fresh resolve.

We have one focus. We have one passion. We have one resolve. It is: **THE GOSPEL TO THE WORLD.** The Gospel is the liberating and transforming Good News that God did not give up on His good creation. When all looked lost, God stepped into our world, wrapped in our flesh, and walked, taught, ministered, healed, comforted, forgave, included, challenged, redefined and restored. He came on a Kingdom Mission. In His suffering, death and burial He became the door through which all who

believe can come back into relationship with God as their Father. In His resurrection, He launched His Kingdom on earth and appointed His followers as His ambassadors to go to all the world and proclaim His reign NOW and ETERNALLY. We continue to hear the resounding echo of His command and we resolve to announce the GOSPEL TO THE WORLD. Join us in this resolve for this NEW world. We are not looking back; we are looking forward. **We WELCOME 2021!**

Dr. LaDonna & Team

WE ARE ONE IN THIS MISSION
