

# YOU CAN Touch The World

**THE ORBIT OF** this global ministry is vast. Each time we circle the globe with the Gospel, you are with us. Your prayers and your donations sustain Christ's mission and guarantee that the sun will never set on the 24/7 actions of this Gospel ministry. During the challenges of the Covid-19 pandemic,

many churches have closed and some ministries have not been able to continue. But I am rejoicing today that the Osborn Ministries International has actually increased her reach to the world. Our passion to proclaim the Gospel to every nation is strong. Thank you for touching the world with us through your partnership!

# THE GOSPEL IS THE MESSAGE

J E S U S S E N D S U S

WE ARE LIVING in unique times. There are many voices competing for the attention and allegiance of people. This applies to all arenas, including economics, politics, religion, education, science and even differing views within the Body of Christ. This is the world that we are living in and every follower of Christ must develop spiritual discernment to judge the spirit that is behind each influence.

For me, I have determined to focus on the timeless and profound words that Jesus spoke to His followers after His resurrection. His instructions were to take His message to every person. The GOSPEL is the message that brings transformation to everyone who believes.

## MIRACLES ARE THE PROOF

**TUMORS  
DISAPPEAR**

**Port Novo, Benin:**  
This young man shows Dr. LaDonna his hip where a large tumor had disappeared when he believed on Jesus.

**BLIND BOY SEES!**

**Lilongwe, Malawi:**  
This young boy had not been able to see. He believed the Gospel and received his sight.

CAN YOU IMAGINE that from the age of nine months, when I began traveling with my missionary/evangelist mother and father, I have witnessed supernatural miracles? Most of these have been in physical healings. But also there have been many of divine protection, guidance and favor. When I was about four, there was great opposition, by local non-Protestant leaders, to our Gospel evangelism activities in Latin America. A person was sent to infiltrate our lives, under the guise of helping my parents with the cooking. In an attempt to kill our family, she placed finely ground glass in our fruit salad. When none of us were affected by this cruel action, she came to us, weeping and repenting, saying, "Now I know that God is with you. Will He forgive me?" Miracles are the lifestyle of the believer!

Friend, we believe that the Gospel is the power of God that brings salvation (Ro.1:16), just as the Scripture says. It is the miracles, performed by the resurrected Jesus, that convince people of other faiths that the message of Christ is true. This is a miracle ministry! Jesus' ministry was and is a miracle ministry. Miracles are what people need today!

# JESUS IS THE CENTER

HE MAKES THE DIFFERENCE

EVERY DAY I thank God that my father saw a vision of Jesus when he and my mother were at a crossroads in their ministries. (If you have not read the story of the “Four Visions,” it is included in the book, Biblical Healing at [osborn.org/shop](http://osborn.org/shop).) After five years of sincere ministry in the States and a disappointing ministry failure in India as young missionaries, they were desperate to find the key for what would be effective among people of other religions. That’s when Jesus appeared and seeing Him ALIVE changed everything.

From that experience in 1947 the focus of this ministry shifted from approved methods, doctrinal identities, traditional assumptions and ministry limitations to THE PERSON OF JESUS. He became the center of everything. This commitment has caused the actions of this ministry to impact the world in ways that have become legendary. Millions of people have turned to faith in Christ. Jesus is the center!

## PEOPLE ARE THE FOCUS

G O D L O V E S P E O P L E

AS YOU READ the Scripture and focus on the life, ministry, mission, sacrifice, resurrection and Spirit-impartment of Jesus, you quickly discover that His priority was PEOPLE. I have studied all of the religions of the world, and none of the founders of the ancient or modern faiths demonstrated the love, compassion, forgiveness, mercy and kindness toward people that we see evidenced in the life of Jesus.

Everything that is conceived and achieved through this global ministry is for the sake of people. The most profound discovery for effective ministry is that God loves people. People are yearning for what is true. People were created for relationship with God. People are lost and without hope unless they know God through Jesus Christ. People are the focus of this Gospel ministry.
