## OF THE MESSAGE

From the foundation of Christ's work of Redemption, Dr. T.L. Osborn addresses the fundamental provisions of Jesus which answer the basic needs of humanity. **EVERYONE needs this message.**

DR. LADONNA OSBORN

During the time that there were many voices speaking out about biblical topics such as prayer, warfare, faith, and the forces of darkness, my father, Dr. T.L. Osborn, penned the content of this book. This message brings focus to the believer on the vital truths of Redemption. **Every biblical topic must be viewed through the prism of Redemptive truth. Redemption includes everything.**

*I dedicate this book to those –*

- WHO are weary of condemnation, insecurity, confusion and guilt;
- WHO feel alone and without personal value;
- WHO want a new lifestyle of happiness, health, purpose and blessing;
- WHO face problems, pressures and dilemmas, and who crave practical answers;

- WHO desire forgiveness for wrongs committed against God, against others, and against themselves;
- WHO have been frustrated by doctrines of evil spirits in Christians and need to know they are secure in Christ;
- WHO need healing for the whole person, mental, physical, and spiritual.

*THIS BOOK publicizes a rich legacy of Seven gifts, Seven blessings, Seven treasures, Seven revelations for real LIVING. The Foundation of our MESSAGE to the World – Our MANIFESTO of Biblical Faith.*

### The Message Is The Power

*The message of the gospel—in its simplicity—2Cor.11:3 is the only answer to the religious dilemmas and delusions of millions of insecure people.*

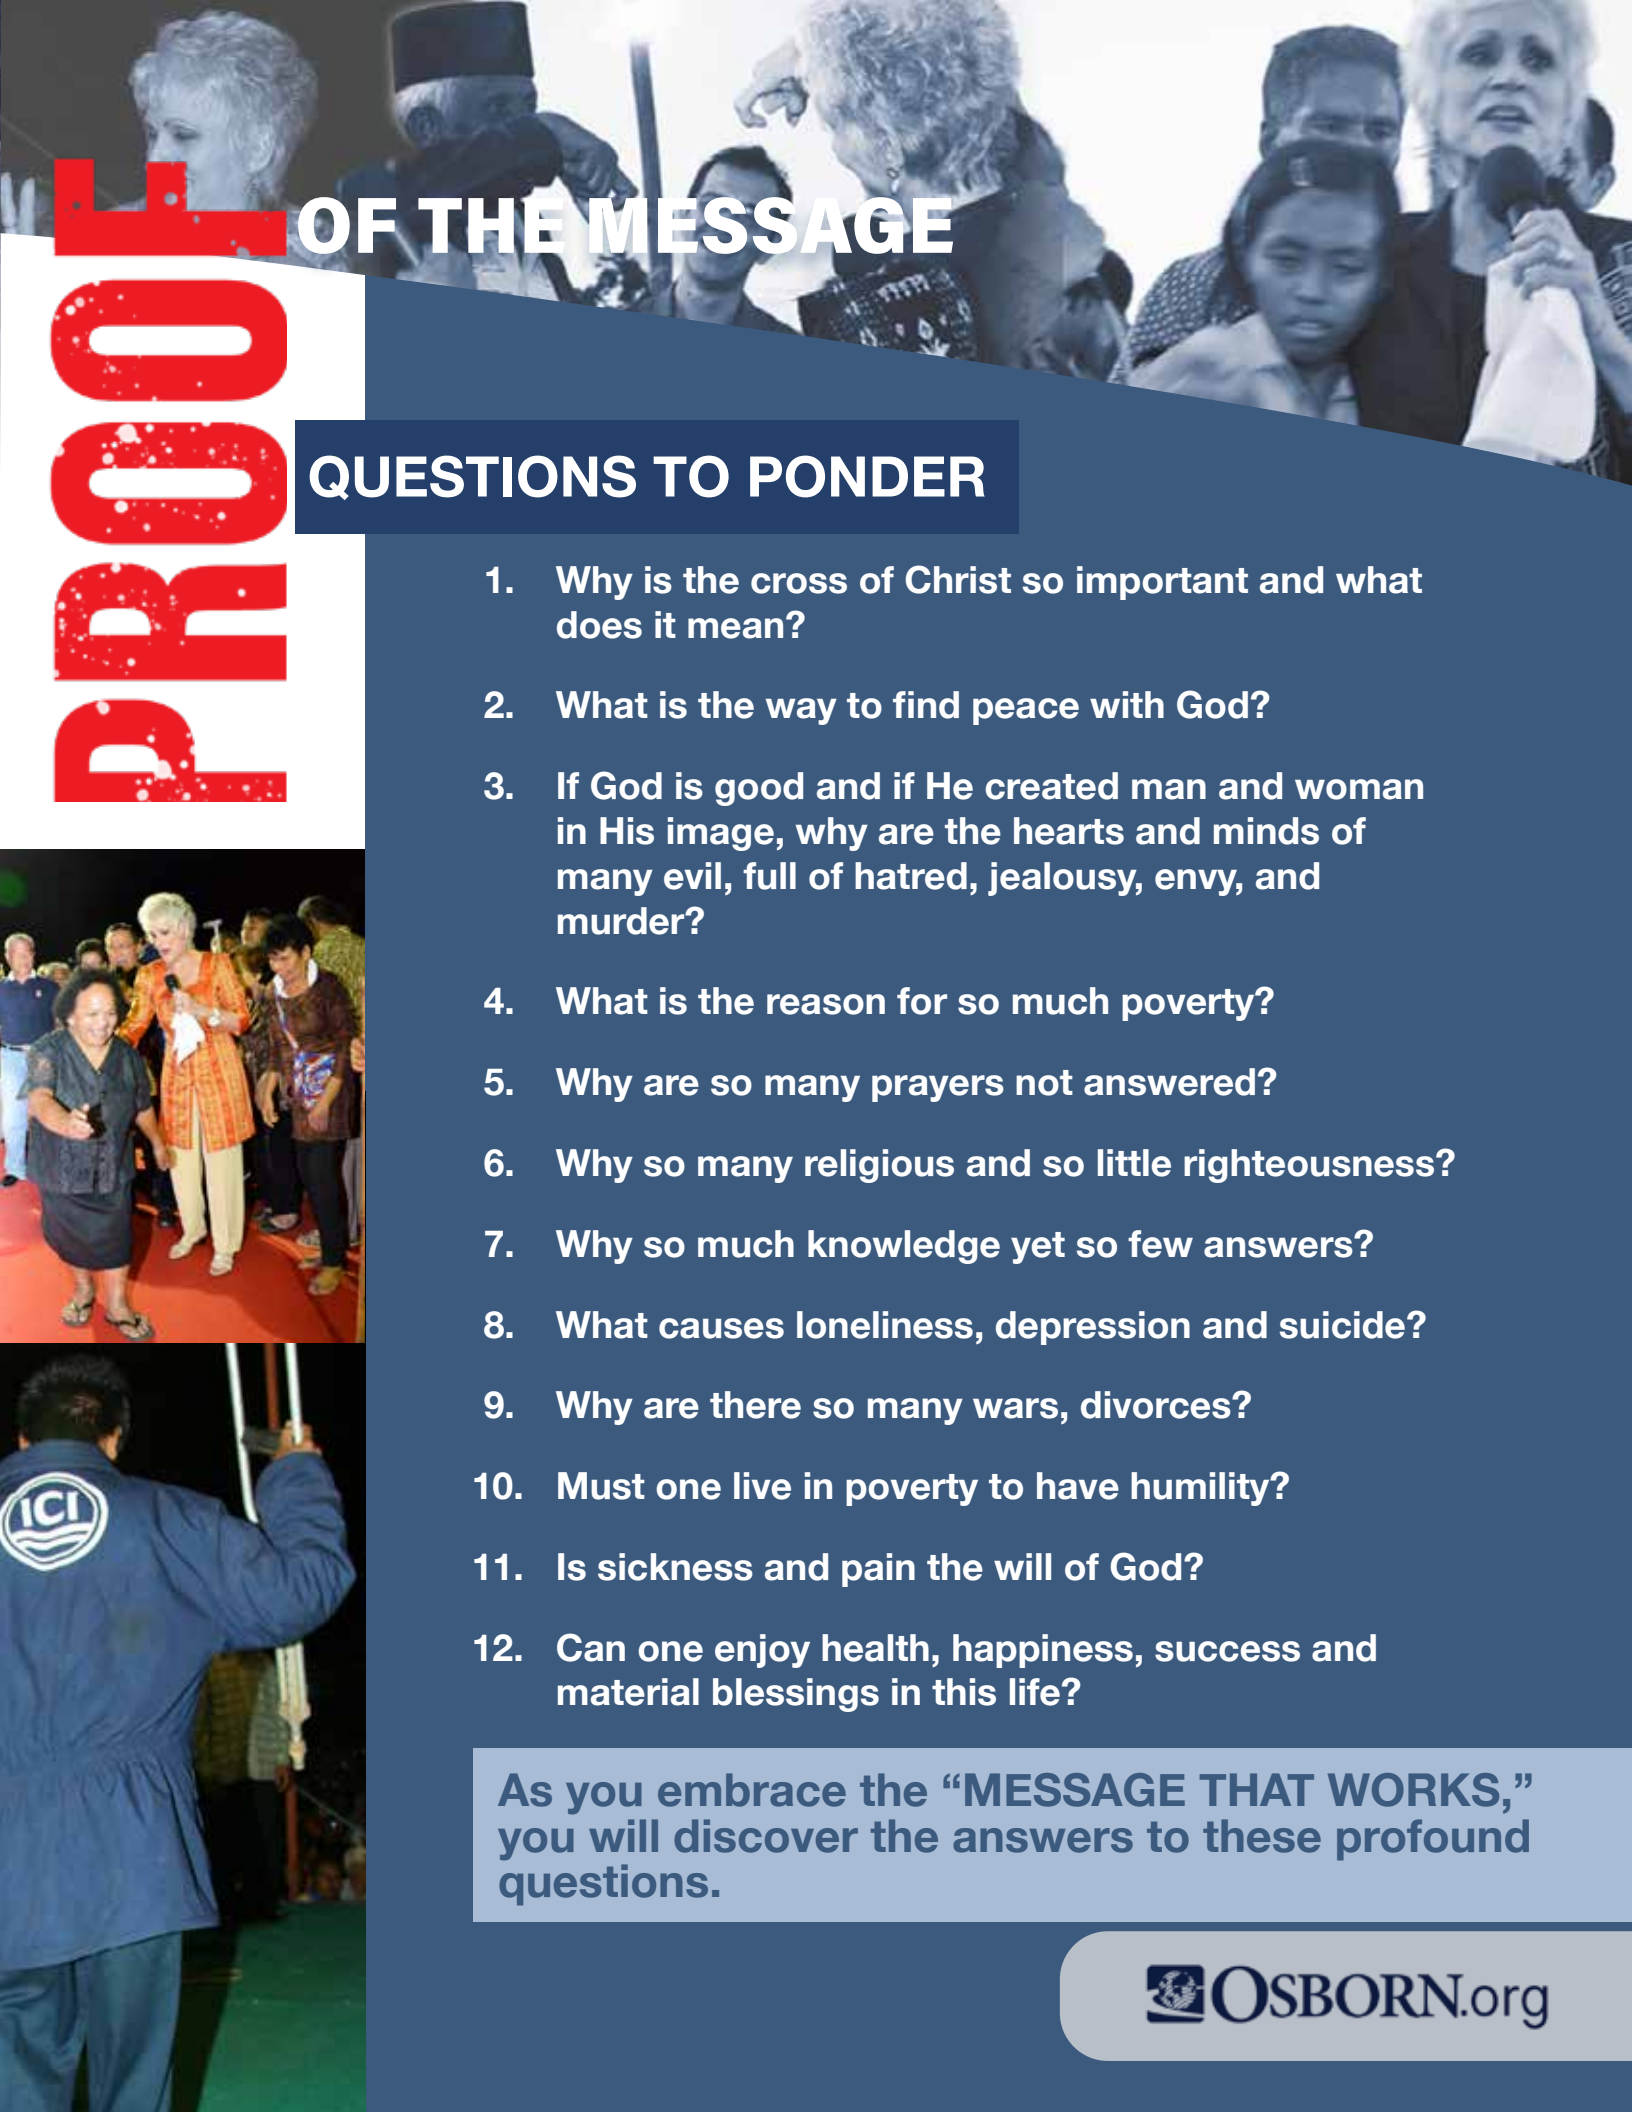

*Humanity experiences seven basic needs. God reveals Himself in seven ways to meet those needs. Each provision He offers is made available by the death of Christ. They are available to every person of every race, color and nationality.*

*In the first seven sections of this book, chapters nine through fifteen—Sections I through VII, we have set forth seven fundamental human needs and God's seven redemptive provisions for those needs.*

4. What is the reason for so much poverty?
5. Why are so many prayers not answered?
6. Why so many religious and so little righteousness?
7. Why so much knowledge yet so few answers?
8. What causes loneliness, depression and suicide?
9. Why are there so many wars, divorces?
10. Must one live in poverty to have humility?
11. Is sickness and pain the will of God?
12. Can one enjoy health, happiness, success and material blessings in this life?
